

SHIRE CONSULTING

Ruminant Dairy Nutritionist PhD/MSc

JOB TITLE:

Dairy Cow Nutritionist PhD/MSc

DESCRIPTION:

A Dairy Cow Nutritionist qualified to either PhD or MSc is required by commercial Animal Feed Company for various technical roles involving in house duties as well as supporting feeding advice to leading dairy farmers.

Candidates need to be able to demonstrate a practical working empathy with dairy cows plus be up to date with the latest dairy cow nutritional knowledge. Candidates need to have excellent personal communication skills along with a good grasp of IT skills.

This job represents an excellent opportunity to join one of the front line technical teams in dairy cow nutrition in Great Britain influencing feeding and nutrition practices throughout the country. The company is supported by global nutritional support and as well operating a research based technical backup in the UK and Europe.

REMUNERATION:

Excellent remuneration package awaits according to qualifications and previous experience

LOCATION:

English location with residence required around the company's main office but please ring for detail
