

**Gene editing
farm animals:
the facts**

.....

Mercure Manchester Piccadilly
7th November 2024 | 10:00 - 15:30

bsas
british society of animal science

The image is a promotional poster for a gene editing event. It features a blue and white color scheme with a glowing DNA double helix on the right. On the left, three hexagonal frames show a cow, a sheep, and a pig. The text is bold and clear, with a dotted line separating the title from the event details. The BSAS logo is in the bottom right corner.

Session 5: Panel Discussion on Precision Breeding

Panellist: Hugh Broom | NFU Livestock Board East Chair, Farmer

Bio

Hugh Broom rears Angus X Dairy beef cattle in Surrey. The farm is in the Sustainable Farming Incentive Scheme, the farm also hosts a battery storage enterprise.

Hugh is the NFU East Livestock Chair and sits on the National livestock Board. He has worked off the farm as a journalist most recently presenting the Farmers Weekly Podcast up until December 2023.
