

Grill The President

Webinar 2021

26th October, 4.00pm

'It will be a great opportunity to hear from our early career members who are the future of Animal Science in the UK. I am very much looking forward to hearing what our future animal science leaders see as the major challenges for our science and the sector.'

*Professor Michael Lee,
BSAS President*

Are you a fledgling Animal Scientist or Technologist? Want to know what a BSAS Membership can do for you?

In this webinar we'll be giving you the chance to apply some heat to BSAS President, Professor Michael Lee, to find out the inside track on how a BSAS Membership can set your fledgling career alight and aid you in making a successful transition into the professional world of animal science and technology.

This webinar is free to attend but places are limited, so book now to avoid disappointment.

REGISTER HERE

'Do you get nervous before an interview? Will this change with career experience? Let's find out as we 'grill the president' of BSAS, Professor Michael Lee. This is your chance to avoid the hot seat and instead, put pressure on Michael as we ask where is BSAS headed and what the society can offer you!'

*Lucy Ross,
Early Career Council President*

You can join BSAS as a:

Student Member £15
(Full-time education)

Graduate Member £45
(Up to 3 years post full-time education)

LMIC Member £20
(Low to Middle Income Countries)

Individual Member £90

Visit: bsas.org.uk/membership

'Summer BBQ time may be over, but we're offering one last grill.... of the BSAS President. Come along to see what BSAS has to offer you, but don't expect a burger!'

*Kerri Coffey,
Undergraduate Council Chair*
